We Are Emerging Leaders

Advancing the Future of WSG Member Firms

Who We Are

May you get as much
praise and attention
on your birthday as
an average millennial
feels entitled
to every day.

som**ee**cards

ELG Harnesses the Power of the WSG Community

Connect within the network, expand, influence the industry, and provide integration between present and future representatives across WSG member firms.

- ✓ Work jointly with firm leaders to assess challenges and opportunities
- ✓ Provide a collaborative forum for analytics and problem solving
- ✓ Identify solutions and areas for innovation

Why Become a WSG ELG Member?

- ✓ **Global Relationship Development:** creating potential multidisciplinary referrals
- ✓ **Knowledge Exchange:** for service enhancement and client development
- ✓ **Professional Development:** through secondment programs, on-line and in-person
- ✓ **Access:** discounted ELG webinars, meetings, conference networking, and firm collaborations
- ✓ **Training:** within the group, on blog platforms and in collaborations

Our Structure

Regional Leaders

Spearheading the group, 'Regional Leaders' are selected by WSG delegates, for each region: Africa/Middle East, Asia Pacific, Caribbean, Europe, Latin America & North America

WSG Member Firm Leaders

Each firm will have a key liaison within the group. This leader is tasked with fostering the Emerging Leaders Group within their respective firm, encouraging professionals to contribute and participate, and managing group communication.

ELG Members

Participate at a global and regional level with a further objective to create subgroups by industry and/or practice.

Technology is Changing How Professionals Work

Firms leverage AI and Machine Learning to drive efficiency and profitability

Where are some places it fits in the current practice of law?

- ✓ Data Privacy
- ✓ Document Drafting and Review
- ✓ Due Diligence
- ✓ Timekeeping
- ✓ Underutilized Data

What is the future for professional service providers?

- ✓ Firms are gathering data and not using it
- ✓ Firms should focus on innovation to compete
- ✓ AI needs you! It is not going to replace you, it is going to enable you to:
 - ✓ Retain talent and clients
 - ✓ Expand client base
 - ✓ Increase Profitability

Firms are missing opportunities to leverage AI and their own data

Legility

Collaborating Across Borders

We want to hear
from you and
what interests
you!

The logo features a thick red circle with a dark blue horizontal bar across its center. The words "MIND THE GAP" are written in white, bold, uppercase letters on the blue bar. The background of the right side of the slide is white with faint, light gray abstract shapes that resemble stylized leaves or petals.
